The Bourbon County Commission met in open session with all commissioners and the county clerk present. Minutes of the previous meeting were read and approved.

Mark Reason gave a road report.

The Fredonia Harvest Fiesta committee is asking for a street closing as the parking is attached to the Bourbon County courthouse. The work needs to wait until next week, because the County Fair is going this week.

There was a meeting with Sewer District employees at 10:00 am. Stuart Porter and Mark Young, Schwab-Eaton, Gerald Rick McIntosh, McIntosh Contractors, Tim Johnson, County Attorney and Tom McNeil, County Sanitarian, were present. All parties updated on their status. Stuart also recommended that commissioners approve Pay Estimate #4, in the amount of $11,277.27. Chairman Grauer signed the Pay Estimate. McIntosh is proceeding with the frames listed on the letter sent in early July. These times were meant for the homeowners to be pro-active, not to be held by the contractors, as they may be impossible in some cases.

Jim Harris, Barry Tractor and Charlie Morse, Neosho County Road & Bridge Supervisor, met with commissioners to discuss rock crushing equipment. Mr. Morse explained the set-up in Neosho County. No action at this time.

Crystene Chapman presented the Kansas Retailer's Sales Tax quarterly report for Road & Bridge. The chairman signed it.

Commissioners worked on the 2012 budget for the rest of the meeting with Terry Seaver.

After routine business, the meeting adjourned at 2:30 pm.
