Mrs. Johnson informed commissioners of a notice of suit from an inmate she received. We'll forward it to the insurance company.

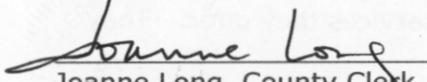

Terri Johnson requested an executive session, to discuss possible litigation. Jingles Endicott made a motion to go into executive session, for a period of 10 minutes, under the attorney/client privilege exception to the Kansas Open Meetings Act, to discuss possible litigation. Allen Warren seconded the motion and all voted in favor. Those present for the session were the commissioners, Terri Johnson and Joanne Long. The session began at 12:11 pm and ended at 12:21 pm with no action.

Kendell Mason met with the commissioners to turn in her keys and swipe card and revealed the location of her notary stamp. She also expressed her dissatisfaction with her termination and requested voter registration and election materials from the clerk.

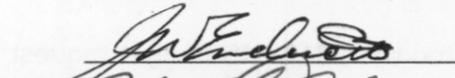

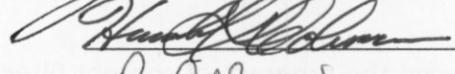

After routine business, the meeting adjourned 12:26 pm.
