

Terri Johnson returned. She and Valorie are working on the mechanic and Running Foxes agreements the commissioners asked about last week. She also discussed a request she received from Curt Shankel for the County to respond to emails that are circulating about the sewer district. Mrs. Johnson said that Harold Martin is now represented by counsel so she can't speak with him and recommends the commissioners don't either. She's left a message for his attorney. No action.

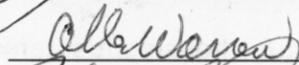

Allen Warren spoke about setting a time to meet with Public Works employees and with Courthouse employees. After discussion of several proposed dates, it was decided to meet at the County Barn, from 7:00 - 8:00 am, Tuesday, April 5th, and from 8:30 - 9:30 am on Thursday, April 7th, with Courthouse County employees. The courthouse will not open until 9:30 am on the 7th, so that all employees are available. Neither meeting includes the Sheriff nor Correctional Center, as they are staffed 24/7 and will need to be worked out how to meet with them. This meeting has been described as a "Meet and Greet" or a "Question and Answer."

After routine business, the meeting adjourned at 12:25 pm.
