

Keith Jeffers discussed recent training.

Susan Quick met with commissioners to discuss the tax sale. Dan Meara is working on the cases to file in District Court and says he has some he wants to file now, but the Treasurer's Office has been telling people they have to December 1 to pay. For fairness, she would like the commissioners to ask that all cases be filed at the same time. It would only be a matter of six business days. Otherwise, she feels that some people would have more time to pay than others. Jingles said that he would speak with Mr. Meara about it. There was also discussion of what "Other" means on the statements. It is the Community College. Another question was the designation of "Make checks payable to Susan Quick". This has been the same every year, since Opal Hess was Treasurer. "Extension" is the Southwind Extension District", which was a change from the Bourbon County Extension Council to the district. The Extension Council used to be a part of the General Fund of the County. Mrs. Quick also stated that the Payment Plan has been completely stopped and all payments have been applied to the CIC tax system. As to the tax sale, Mrs. Quick would like to see a set date for it each year and to work backwards from there on the filings, so a set date can be made available to people as to when they need to be caught up on their taxes to stay off the sale.

Allen Warren commented on the 2008 delinquent listing, provided by Mrs. Quick. He would like to see listings for 2009 and 2010.

Joanne Long spoke with commissioners about a request she received from Sheila Nichols, widow of Jimmy Nichols. She has asked if she can place donation canisters in the courthouse offices for the annual Sheriff's Department Toy Drive. Commissioners approved the request.

Allen Warren left at 11:55 am.

Keith Jeffers and Shane Walker asked to speak with commissioners in executive session. Harold Coleman made a motion to go into executive session, for a period of five minutes, under the security exception to the Kansas Open Meetings Act, to discuss courthouse security. Jingles Endicott seconded the motion and both voted in favor. Those present for the session were Harold Coleman, Jingles Endicott, Shane Walker and Keith Jeffers. The session began at 11:57 am and ended at 12:02 pm. Once in open session, commissioners approved the purchase of security cameras for the courthouse.

After routine business, the meeting adjourned at 12:05 pm.
